

HARBS COLLECTIVE EASTER EYE SPY

How many Brampton Bunnies can you
spy? Colour them in as you go!

HARBS COLLECTIVE SPRING NATURE MAT

What else do you need?

- PVA glue (optional)
- Fallen flowers, petals, leaves and twigs gathered from your garden or a park walk

What to do: Place your petals and leaves on the egg template below to make a pretty pattern. You can glue down your art or you can brush it away and start again making as many patterns as you like!
